The information requested on this form is solicited pursuant to Section 2658 of Title 22 of the United States Code, Section 71.1 of Title 22 of the Code of Federal Regulations and Executive Order 11295 of August 5, 1966.

The principal purpose for this information is to create an official record of United States citizenship, which will enable consular and diplomatic officers to furnish promptly, and efficiently, all services which are the inherent right, and privilege of such citizenship. Specific purposes for the collection of this information include: establishment of citizenship, establishment of entitlement to a U.S. passport, issuance of a Report of Birth to citizens' children born abroad, dissemination of information concerning nationality laws that might affect the nationality status of the registrant, establishment of entitlement to services consistent with U.S. citizenship in the event of the registrant's death, and protection of and assistance to U.S. citizens abroad, particularly in emergency situations.

The information is made available on a need-to-know basis to personnel of the Department of State and as routine use to other government agencies having statutory or other lawful authority to maintain such information in the performance of their official duties, and to wardens designated by consular officials at U.S. embassies or other foreign service posts.

Furnishing the information on this form is voluntary, but failure to do so may preclude or impair U.S. government officials or other designated representatives from providing the services described in this statement.
